LETTER OF RECOMMENDATION

RE.: Metalco Limited

This firm we has often used the services of the above-captioned company "Metalco Limited", particularly when it comes to the destruction of goods which have been declared by the Maltese courts of Malta as "counterfeit".

To-date I can safely say that the services provided by Metalco Limited have always been to my satisfaction. The persons I have dealt with have always been extremely efficient, polite and always available.

Dr. Luigi A. Sansone
